

## EMH Cool Müsli

**Barības mierīgam darbam un sportam**

**Complementary feed for horses and ponies**

EMH is an extract from selected, highly efficient herbs, fermented by micro-organisms, which has already been seen to have positive results in equine nutrition. EMH Cool Muesli is an oat-free, tasty muesli, based on hydro-thermally expanded cereals, which gives your horse or pony all the important nutrients, minerals, vitamins and trace elements that it needs. Thanks to the reduced protein and energy levels, digestion is eased, Eggersmann EMH Cool Muesli is recommended for horses and ponies in light work, or at rest, as a complete feed, or as an addition to cereals. Due to the addition of EMH, the digestive function is actively supported and disencumbered. With continuous use, EMH Cool Muesli can bring harmony to various metabolic processes. So EMH Cool Muesli, with its fine balance of nutrients and ingredients, ensures horses have vitality, but keep a "cool" head.
